

## **Junior Bean Counters (Accounting Cadetships – 2010 Intake)**

We have an excellent career opportunity for two (2) motivated HSC Leavers who will be commencing a recognised Accounting Degree Course in 2010.

This is an excellent opportunity for focused, motivated team players who are looking for the challenge of part-time tertiary studies and accelerated hands-on experience in Accounting, Taxation, Financial Services and Business Management.

If you are interested in building a career rather than just doing a job, this could be the opportunity you have been waiting for.

### **Responsibilities:**

- Carrying out assignments/projects to an agreed timetable and budget
- Establishing effective relationships with team members
- Develop technical knowledge and skills
- Actively pursuing self-development opportunities
- Assisting and supporting your team in every way possible

### **Qualifications, Skills & Experience:**

- Excellent communication skills
- Basic computer skills
- A desire to quickly progress
- The ability to take direction from both management and team members
- Conscientious and hard working

### **Robson Partners also provides:**

- A pleasant/enjoyable working environment
- Paid study assistance
- Lifestyle balance
- Hands on experience
- Extensive training
- Supportive mentoring
- Diversified client base
- Opportunities to interact with Financial Planning and Business Coaching

Join a group of talented professionals who enjoy stimulating “hands-on” work challenges.

If this is the career path you are seeking, please email your letter of application and resume to [mail@robson.com.au](mailto:mail@robson.com.au)
